Re: Public Affairs Consultants, Inc.

To Whom It May Concern:

It is without hesitation that I recommend Jack and Keyna Cory of Public Affairs Consultants, Inc. to your organization. I have worked closely with Jack and Keyna since before I was a member of the Florida Legislature.

While I have worked with them on many issues, I was especially pleased with the outcome of their work in obtaining \$7.5 million in new funding for Domestic Violence Shelters during the fiscally constrained 2004 Legislative Session.

In addition, as Chairman of the House Fiscal Council, I know I can rely on Jack and Keyna to be present at meetings and to be prepared to give me clear, concise answers to my questions on their clients' issues. I often look to them as an accurate source of information during the Legislative Session.

Thank you for the opportunity to share my recommendation. If you need any additional information, please do not hesitate to contact me at (772) 221-4904.

Sincerely yours,
