SELECT COMMITTEE:
Medicaid Reform

SENATOR DURELL PEADEN, JR.

2nd District

July 20, 2005

To Whom It May Concern:

I have known Jack and Keyna Cory of Public Affairs Consultants Inc. for most of my legislative career and have found them to be very professional in representing their clients' issues before my Health Care Committee.

They are always well informed on the issues and prepared with documentation to support their point of view.

This year as we worked through the rewrite of the Medicaid Laws, the Cory's were two of the people I knew I could turn to for quick factual information at any time of the day or night.

I would not hesitate to recommend them for your consideration.

If you should need any further information, please feel to contact me personally.

Sincerely,
