RE: Letter of Reference

To Whom It May Concern:

Jack and Keyna Cory have always been available to me and the other Members of the Senate Democratic Caucus with fast accurate information on their clients' issues and this has enabled us to support many of them over the years.

The Cory's are effective, efficient and very knowledgeable on their issues. They definitely know their way around the Legislature.

Therefore, I would not hesitate to recommend them to your organization for consideration as your Legislative Lobbyist. If you should have any further questions or need any additional information please feel free to contact me personally.

Sincerely,

Lesley "Les" Miller, Jr.
